Subject: Don't settle!

Greetings, My name is Chris Ruggiero, and I am disgusted with this whole idea of letting Microsoft off with what appears to be a slap on the hand. I strongly encourage you to seek much harsher punishment for Microsoft's illegal monopolistic practices, we need to show not only Microsoft but any other company out there that this kind of illegal practice will not be tolerated.

Please do not let them get away with this, right now they are laughing at you all the way to the bank!
